

## **Speech-Language Pathologist Part to Full Time**

**Harbor Speech Pathology is looking to hire a part-time and/or full-time SLP for our Silverdale location. We serve both pediatric and adult populations and are looking for an SLP with pediatric experience.**

**Harbor Speech offers competitive pay and excellent benefits to include Medical and Dental insurance, IRA, and Retirement matching, Starting 20 paid days off, CEU funding, Paid State and ASHA dues, Opportunities for Advancement and many benefits for your well-being and professional growth.**

**You would be a great fit with Harbor Speech Pathology if...**

- **You love getting off early on Fridays.**
- **You love serving diverse populations and professional growth.**
- **You love collaborating and having great professional resources.**
- **You love being valued and cared about as an employee.**
- **You love working alongside well experienced SLPs and supportive staff.**
- **You love manageable caseloads and work life balance.**
- **You love flexibility and the ability to create new programs.**
- **You love working for a company who listens and values you.**
